Dear Mr. Schiller,

This will acknowledge with thanks your much appreciated letter, with reference to receiving ZNS. From the information you have given us, the programme you heard was our Local News, sponsored by "Standard Plumbing Co"., and the music you heard afterwards, was "The Emile Cote Glee Club", a built show, from our Lang-Worth Library.

May I conclude by again thanking you very sincerely for the information you supplied, and I do hope that you will listen to our station again, and a report from you would be most appreciated.

With Best Wishes,

I am,

Donald Pritchard,
for
H. R. Bethel,
Station Manager, ZNS.
